AV HALL SORSOGON CITY

## WORK EXPERIENCE

### Cube Casa Modular Living Units 2025 - PRESENT FREELANCE WEB DEVELOPER

- Designed and developed custom websites for Cube Casa using HTML, CSS, JavaScript, and PHP.
- Optimized websites for SEO and performance (e.g., image compression, lazy loading, cdn).
- Prepared creatives (e.g., logos, images, videos) for the website.

### Heinimex Corps. 2024 - PRESENT 3D PRINTING OPERATOR (GRAPHIC DESIGN)

- Responsible for slicing and printing 3D models, maintaining and troubleshooting 3D printers and related peripherals.
- Created new items and modified existing designs (e.g., adjustments, color changes) based on customer specifications.
- Prepared detailed section drawings and assembly manuals for products.
- Designed creatives for social media and product catalogs.
- Develop prototypes for exhibit booths and architectural design using AutoCAD.

### Department of Information and Communication Technology Region V (DICT-RV) - Sorsogon

MARCH - MAY  
2024

#### STUDENT INTERN

- Assisted in promoting the major flagship programs of the Department of Information and Communication Technology Region V.
- Shared my knowledge and insights as a Resource Speaker to the government employees of LGU Gubat and Bulusan regarding the features of the eGovPH App.
- Facilitated the participants of Bulusan Intergrated National High School on hovering and exploring the featured productivity tools.

---
